

Bamboo Stand Wireless Charger Manual

Please paste carefully in the exact location where the induction charging pad of your phone is.

Wireless charger for smartphones

Easy to charge your phone without cables, just put your phone on the charging plate.

Specifications:

Input: According to the printing on the back cover of the charging plate.

Output: 10W

Package contents:

Wireless charging plate

Adapter or Power cable

Power supply:

The charger is recommended to power by a qualified AC adapter.

Operation:

Connect the wireless charger to an outlet such as a qualified AC adapter, then the LED light is lit. Put

your phone on the charging plate and the battery starts to charge. The

LED light blinks during charging. If

the phone doesn't start to charge, please try to reposition it.
